June 22, 2011 — 09:08

MediaCommons is thrilled to announce the release of #Alt-Academy, an open-access collection of essays, dialogues, and personal narratives on the subject of alternative academic careers for humanities scholars.

Update: Sustaining Scholarly Publishing

by [Kathleen Fitzpatrick](#) — Modern Language Association
May 19, 2011 — 17:42

In an article in the May 2011 *College & Research Libraries News*, MIT Press director Ellen Faran discusses the Association of American University Presses' recent report, "Sustaining Scholarly Publishing: New Business Models for University Presses." After discussing the report's recommendations, she notes:

A Truly New Genre: Lessons Learned from Digital Publishing

by [Alex Juhasz](#) — Pitzer College
May 03, 2011 — 11:52

An essay that I wrote, [reflecting upon my experiences](#) in online digital scholarship and publishing, has just been published at Inside Higher Education.
