

EX.#2. "THE MAN WITH MANY HATS"

THERE ONCE WAS A MAN WITH MANY HATS. IN FACT, HE HAD A HAT FOR EVERY ACTIVITY IN HIS ROUTINE.

EX.#2. "THE MAN WITH MANY HATS"

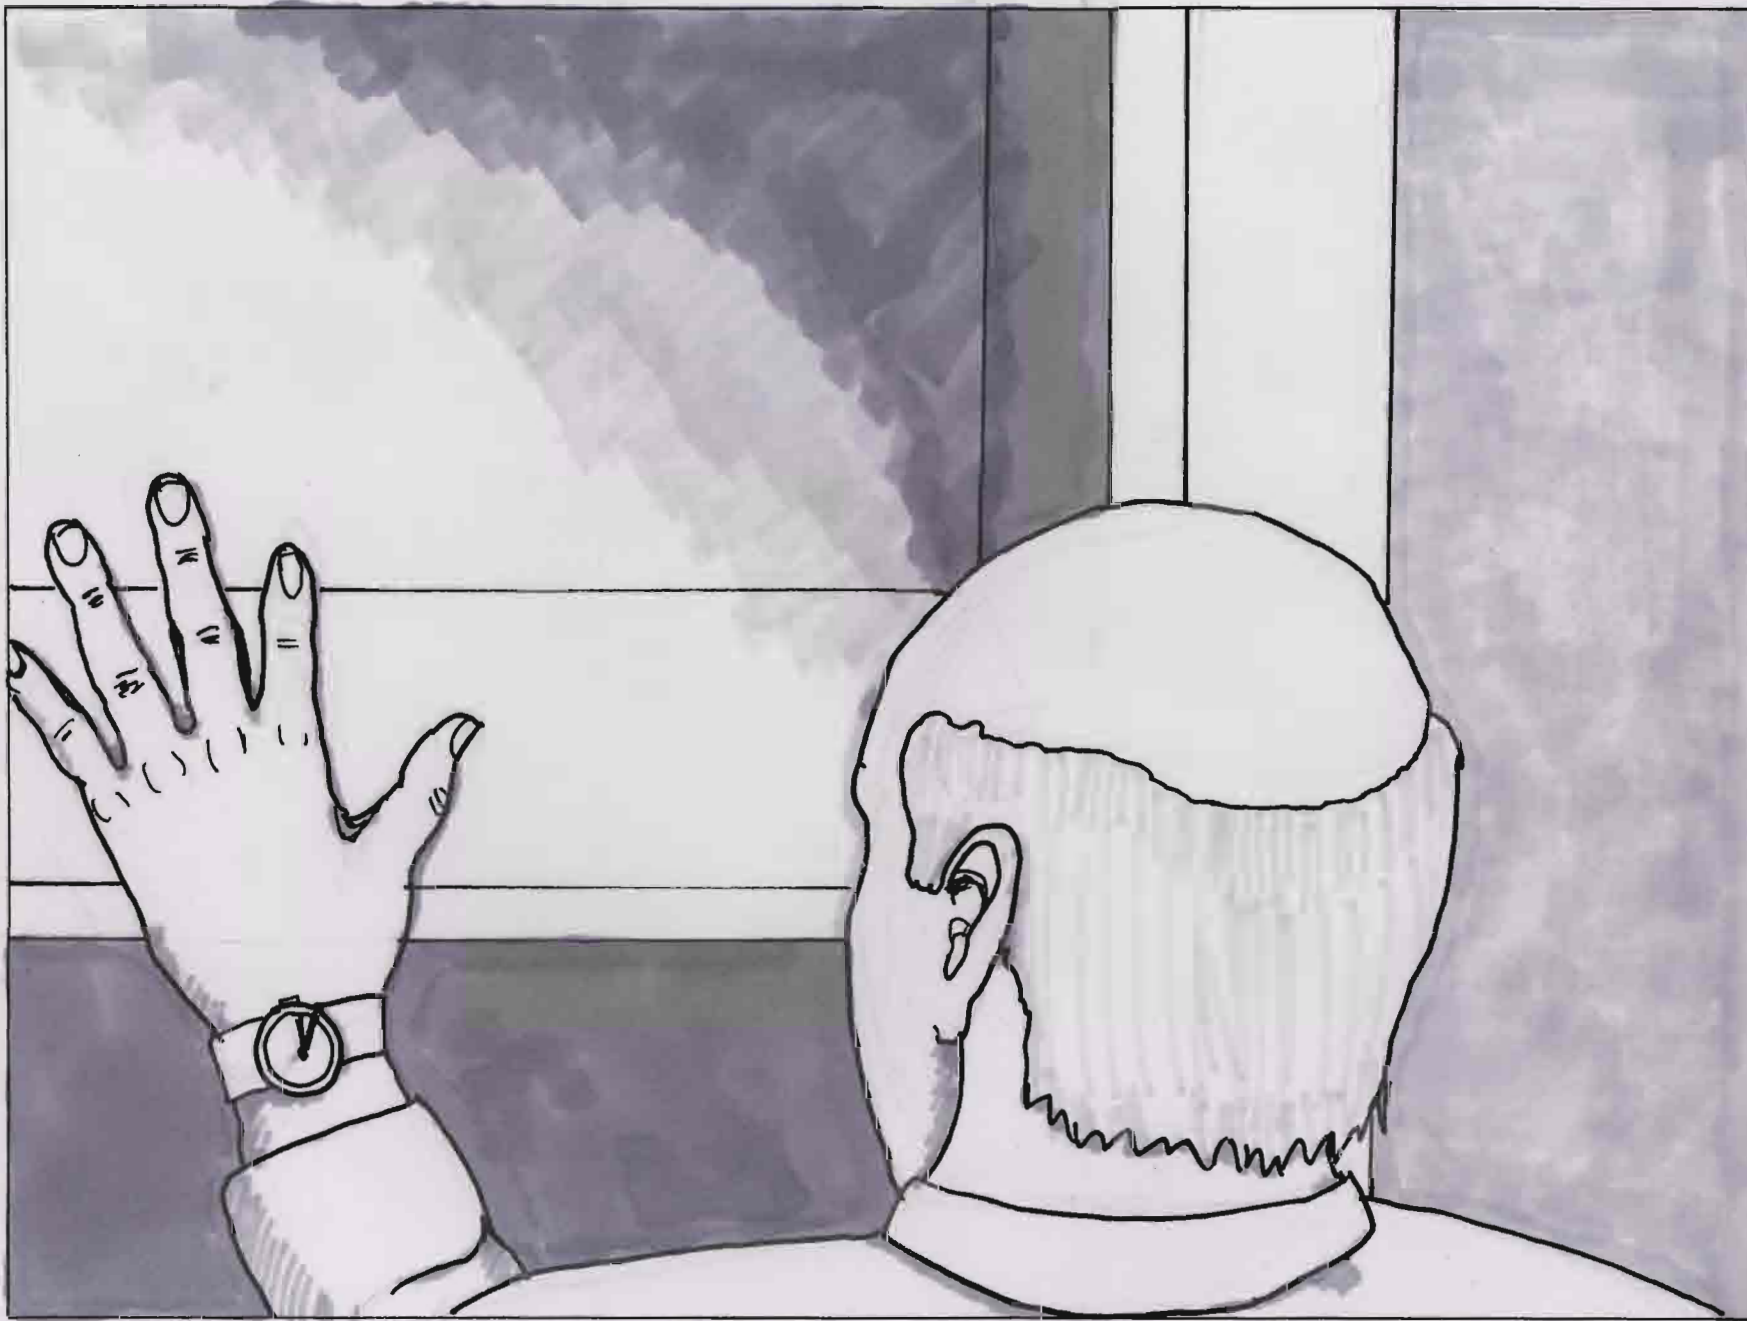

FOR EXAMPLE, HE'D PUT ON HIS ACCOUNTANT'S HAT WHEN DOING BOOKKEEPING, HIS CHEF'S HAT WHEN COOKING^①, AND HIS HARD HAT WHEN DOING REPAIRS^②

HIS MOST IMPORTANT HAT WAS HIS THINKING CAP BECAUSE HE WORE IT TO HELP HIM TO DECIDE WHICH HAT TO PUT ON NEXT, WHEN HE WASN'T SURE

EX.#2. "THE MAN WITH MANY HATS"

ONE DAY SOMEONE STOLE HIS THINKING CAP AND THE MAN WAS VERY UPSET BECAUSE HE DIDN'T KNOW WHAT TO DO, OR EVEN WHAT HAT TO PUT ON NEXT. HE WAS LOST WITHOUT HIS THINKING CAP.

EX. #2 "THE MAN WITH MANY HATS"

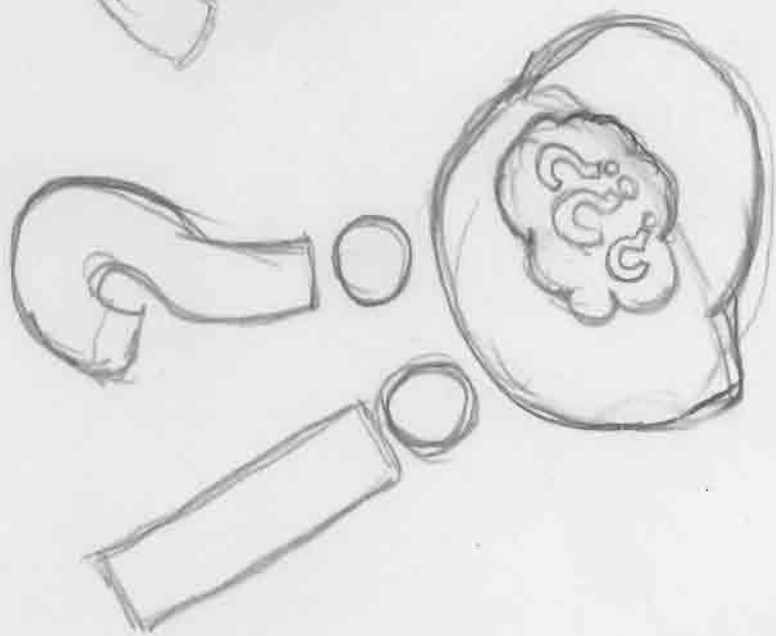

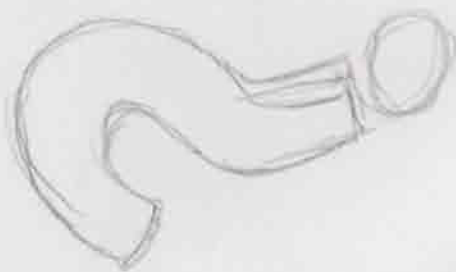

NEXT WE SEE A BIG DUCK WHISPERING IN THE MAN'S EAR, AFTER WHICH THE MAN BECOMES VERY MUCH OVERJOYED ABOUT SOMETHING. ONE DAY THE MAN REALIZED THAT HE REALLY DIDN'T NEED THE THINKING CAP AT ALL. HE REALIZED THAT HIS THOUGHTS ACTUALLY CAME FROM HIMSELF ALL ALONG, AND NOT REALLY FROM THE THINKING CAP.

EX. #2 "THE MAN WITH MANY HATS"

NEXT, WE SEE THE DUCK WALK UP TO THE FRONT OF THE SCREEN AND SAY TO THE AUDIENCE "A LITTLE BOID TOLD HIM!"
(FINALLY, THE DUCK PUTS ON THE MISSING THINKING CAP, AND WINKS AT THE AUDIENCE AND TURNS AND STARTS WALKING OFF TO THE RIGHT AS WE IRIS OUT.)

The Man With Many Hats

by Gregg WEBB

"There once was a man with many hats. In fact, he had a hat for every activity in his routine."

"For example, he'd put on his accountant's hat when doing bookkeeping, his chef's hat when cooking, and his hardhat when doing repairs."

"His most important hat was his Thinking Cap because he wore it to help him decide which hat to put on next, when he wasn't sure."

"One day someone STOLE his thinking cap and the man was very upset because he didn't know what to do, or even what hat to put on next. He was lost without his thinking cap !"

(Next, we see a big duck whispering in the man's ear, after which the man becomes VERY much overjoyed about something.)

"One day the man realized that he really didn't NEED the thinking cap at all. He realized that his thoughts actually came from himself all along and not REALLY from the thinking cap !"

(Next, we see the DUCK walk up to the front of the screen and say TO THE AUDIENCE "A little BOID told him !")

(Finally, the duck PUTS ON THE MISSING THINKING CAP, and WINKS at the audience and turns and starts walking off to the right as we IRIS OUT.)
