Title: [   ]

Project: (●) MC   ( ) IMR   ( ) TNE
         ( ) ALT-AC   ( ) Other

Text: [   ]

Link Text: [   ]

URL: [   ]
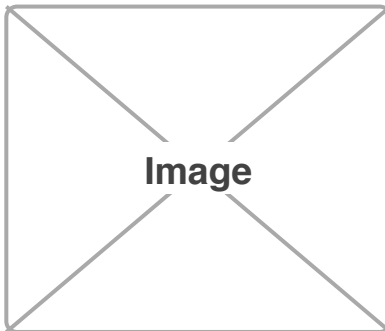

Image

[Upload]

[**Submit**]   [Cancel]

Carousel:

Front page Post 1:

(autocomplete nodereference)

Front page Post 2:

Front page Post 3:

Add Another Post

Recently:

Front page Post 4:

Front page Post 5:

Front page Post 6:

Add Another Post

Submit

Notes:

Doesn't need a title or post date.
Titles will be created automagically (auto node titles?)

Front page controller will be updated rather than a new one every week.

The default is to have three posts in both sections "Carousel" and "Recently" Additional posts can be created using the "Add Another Post" Button. Additional posts should items should disappear if left empty.

Front page controller v.1
